

including World Aviation Directory

Guide to Online Business

The Guide to Online Business contains information on aviation/aerospace companies conducting business through their web sites. The following chart indicates each company's specific web site capabilities and industry focus.

To obtain complete company details, refer to the paragraph number and look up the company listing in the *World Aerospace Database*.

The Guide to Online Business is available in pdf format.

Please send your request via email to: wad@aviationweek.com or call 202-383-2429.

HOW DO YOU DECIDE ON AN INVENTORY'S **VALUE?**

Get accurate parts data, invaluable decision support with *ILS Inventory e-Valuator*.

As the world's largest e-marketplace for aircraft parts, ILS is uniquely qualified to help you determine the value of almost any inventory or parts listing, quickly and easily. Just send us your parts list and we'll create your own customized *ILS Inventory e-Valuator* that includes worldwide supply and demand data for each item. Your *ILS Inventory e-Valuator* also includes U.S. Government procurement information and quote history for each part, if that information is available.

For a free ILS Inventory e-Valuator sample of your parts, go to www.ILSmart.com/evaluator/sample.asp.
